

Elephant in the Caprivi

J and M Safaris

EXPERIENCE AFRICA!
WILD! DARK! J and M
Safaris is offering the
hunt of a lifetime! In
the wilds of Namibia's
Caprivi strip is one of
the very best 'BIG'
elephant populations in
Africa. With
neighboring Botswana,
1.5 million acres to
hunt, this is hunting as
it should be... WILD,
tough! It will draw
from you what it
wants, and give to you
what you take! This is
hunting at its best!
