EXPERIENCE THE ADVENTURE!

AFRICA... adventures on the Zambezi, fishing the famous Tiger fish, with Hippos and Elephants on the shores of the river. Ever dream of hunting dangerous game? Cape Buffalo, one of the big five, has earned the reputation of the widow maker and black death. Elephant hunting is finding the right track to an 18,000 pound quarry that is as smart as a white tail deer.

The Amazon!!!! South America's home of the Peacock Bass. Experience pure power as a fish attacks a well-placed cast. You are an adventurer! If you feel truly alive where the air is fresh and you are part of nature, PLEASE read further!!!

PEACOCK BASS

Ever been to the Amazon? If you like Bass fishing, you **HAVE** to try Peacock Bass! This is one of the most incredible fish I have ever had the opportunity to “hook!” They fight, jump, and devour your lure. This is South American action that you will **NEVER** forget! Give us a call on some great fishing in a wild place on the Amazon.

TIGER FISH

I have fished the ocean! I have fished the rivers! But a Tiger is well named for his disposition. He will stalk your lure; he will strike with a tenacity that bends your rod; and if you are not careful when you land him, he will leave a reminder that fingers or hands are something to chomp! He will live up to his name!

ELEPHANT

Trophy Elephants are a quest, days on spoor. They are smart and a big heavy tusked bull is the hardest animal you will ever hunt. We hunt known areas that produce big bulls. The prime time is coming up and we have a limited number of openings in several countries. Give us a call. We work with the best in the business!

BIGHORN SHEEP

Rocky Mountain Bighorn is one of the hardest of the Grand Slam to take! I have an opening for the upcoming 2018 season and we are currently booking for the 2019 season. If you need a Bighorn give us a call! There is a savings for the 2018 season! Pictured here is Bob Foulkrod with his Ram from 2017. A Grand Slam is closer than you ever thought!

ELK

This is a draw for trophy bull Elk. Montana has some of the best bulls I have ever seen. Rifle or Bow, I know where to go! Call us on our British Columbia Elk/Deer combo.

TROPHY BUFFALO

Trophy Buffalo is what J and M Safaris is known for! The outfitters we work with are the very best in the business. If you want to hunt truly big Buffalo, free range, look no further. You just found the BEST! Give us a call.

BANTENG

Let's go down under to Australia and have the hunting adventure of a lifetime. Australia offers a wide variety of animals such as Banteng, Water Buffalo, Wild Boar, Rusa Deer and Varmints. We also offer a trip over to New Zealand for some of the best Red Stag anywhere. Let's talk!

IBEX

In Kyrgyzstan the Mid-Asian Ibex and Marco Polo sheep are the species to hunt. If you are looking for the capra species, this is a hunt of a lifetime. I have a special price for the 2019-2020 season. Give us a call!

I have over 30 years of experience placing hunters with the best outfitters in the world. I do not sell hunts; I put top-notch outfitters with hunters looking for a type of hunt or animal. I insist on outfitter and hunter contact to put everyone on the same page. **NO SURPRISES!** In the end this is hunting!
