

Trophy Hunts

March 2018

GONAREZHOU!

J and M Safaris uses a scientific approach in determining where we book Elephant hunts. We are currently offering hunts in the last two concessions with an open fence to Gonarezhou National Park. U.S. Fish and Wildlife will require documentation of Elephant population for import permits. Our areas have a documented trail of Elephant population studies that justify hunting. Gonarezhou has shown a 1.5% increase in Elephant population per year for the last 10 years. The most recent study shows 11,000 Elephants in Gonarezhou.

ELEPHANT

Namibia: I only have one (1) opening for Trophy Elephant left in Namibia. The best area in Namibia is the Caprivi which is approved for importation into the U.S. This is a swampy area that brings large numbers of Elephants when surrounding areas dry up. The very best time to hunt is September through November. We have taken some very good Elephants in these areas.

LION CANCELLATION!!!

I have a Lion cancellation South of Save Conservatory. If you want to save money on a Lion hunt, now is your chance! Lion from Zimbabwe are in the approved U.S.F.W. publication for the 2018 season. After 2018 there may be a change. If you want a Lion, NOW is the time. Give us a call!

LION FREE RANGE

If you want a "Free Range Lion" that will be allowed to be imported to the U.S., I have one (1) tag in one of the very best areas in South Africa. Give me a call on this hunt. You will be glad you did!

DESERT SHEEP TIBURON!

Tiburon Island: 2017-2018 season has been a banner season for Desert Sheep!! Tiburon Island has once again shown that it is the **VERY BEST** place to hunt Desert Sheep in Mexico! Scores this year ranged to the low 180's and we were 100%. We are booking for the 2019-2020 season with only 2 openings left! Take advantage of this fabulous opportunity!

DESERT SHEEP MAINLAND

Sonora Mainland: I have just secured a great tag at a reduced rate for the 2019 season! If you want to save some money on a Desert Sheep, this is your opportunity! This won't last long so call soon! You will not regret it!

MARCO POLO SHEEP

I have secured a special deal for my clients to hunt Marco Polo in Kyrgyzstan. You will ride horses into some of the wildest areas you have ever seen. **BE PREPARED...** It is cold, exciting and an adventure you will never forget. Call for details!

I have over 30 years of experience placing hunters with the best outfitters in the world. I do not sell hunts; I put top-notch outfitters with hunters looking for a type of hunt or animal. I insist on outfitter and hunter contact to put everyone on the same page. NO SURPRISES! In the end this is hunting!
